

## FedEx SmartPost Relocates to IBP

FedEx recently announced its decision to move its Charlotte SmartPost hub to Concord's **International Business Park**. SunCap Property Group will develop a 330,000-square-foot distribution center as a built-to-lease venture for the SmartPost Division. The move will triple the size of the current location and add hundreds of jobs to the local economy. [Read more.](#)

## Mayor Discusses IBP's Impact on Economic Growth

'WalletHub' recently ranked Concord as the seventh fastest growing city in the U.S. When discussing Concord's growth and the confidence investors now have, Mayor Scott Padgett noted his belief that the city would likely be in a very different place today if not for the **International Business Park**. Follow the link to read about how, "Together Concord and IBP have boosted investment and added thousands of jobs to our economy." [Read more.](#)

## Leaders Explain What 'Cabarrus County is Doing Right'

When Governor Pat McCrory laid out his 25-year plan for improving transportation in the greater Charlotte area, he didn't do it in Charlotte. He did it in Concord – further emphasizing Cabarrus County's increasing status as a thriving hub for commerce and industry. Local leaders recently shared their thoughts on a major factor contributing to the success as well as what's in store for the future. [Read more.](#)
